

NOVEMBER 2017

## GOALS of the CAMPBELL RIVER FRIENDSHIP QUILTERS' GUILD

- *To cultivate friendly relationships ad camaraderie of fellow quilters.*
- *To teach and learn from others the art of quilting.*
- *To show warmth and compassion to others by donations of quilts, placemats and other items.*

### *President's Message*

Now that gardens are put to bed and the days are getting shorter, it is time to give our attention to quilting. This month we have a lot to look forward to. At our A Night Meeting on November 8<sup>th</sup>, we are going to have a demo by Island Sewing. They are featuring a new way to quilt using a special foot and an accompanying set of rulers. Something new to collect!!

As well, Millie will reveal her latest challenge. Bring your washed metre of “ugly fabric” and find out what she has in store for us this year.

If you didn't get to register your UFOs you will be able to do that at this meeting as well.

Later in the month we will have Bee Day with special attention to paper piecing. And, of course we will be having our first retreat of the year at Oyster Bay. Three glorious days of uninterrupted sewing and a chance to see what your quilting sisters are up to. A great time to get a head start on preparation for Christmas.

See you there,

**Carolyn H.**
